Education

DY Patil College of Engineering, Akurdi, Pune

2022 - 2026

B.E. in Information Technology

CGPA - 8.3 / 10

Secondary Education (SSC)

Higher Secondary Education (HSC)

Percentage: 83.20%

Percentage: 74.67%

Experience

Full Stack Intern ([Certificate Link](#))

Jan 2025 – Feb 2025

Step One Step Ahead

Thane (On-Site)

- Developed responsive UIs from **Figma** designs using **React** and **Tailwind CSS**.
- Built and tested **RESTful APIs** with **Node.js** and **Express.js**, improving response efficiency.
- Implemented **JWT-based authentication** and **handled exceptions** with proper error responses.
- Wrote optimized **SQL queries** and integrated them with **MySQL** for fast and secure user data handling.

Technical Skills

Languages: C/C++, JAVA, HTML, CSS, JavaScript, SQL, Tailwind Css

Frameworks: React, RestAPIs, Nodejs, Expressjs

Database: NoSql, MySql

Tools: Git & GitHub, Postman, JWT, OAuth

Soft Skills: Communication, Teamwork, Leadership, Problem-Solving, Management, Hardwork

Projects

Ecomzy | React, Node.js, Express.js, MongoDB, Tailwind CSS, REST APIs | [Live Link](#)

- Built a fully functional **E-commerce** web app with a **clean UI**, **secure authentication**, **admin dashboard**, **role-based access**, product listing with **filters**, and integrated **Razorpay payment** for smooth checkout.
- Optimized performance using **pagination**, **debouncing**, **lazy loading**, and **memoization**.

AI-Powered Quiz Generator | React, Node.js, Express.js, MongoDB, Gemini API | [Live Link](#)

- Created an efficient **learning platform** for students with **Gemini API** to generate flashcards and **quizzes** from user topics, along with a **responsive UI** and saved **topic storage**.
- Added **JWT** and **OAuth authentication** time-based **image-to-quiz generation** with instant results.

StudentGuide | React, Node.js, Express.js, MongoDB, Tailwind CSS, REST APIs | [Live Link](#)

- Built a **student platform** offering services like **hostel management**, **food recommendations**, **book buying/selling**, and **mentor support** for academic guidance.
- Designed fully **responsive UI** with **filters** (year, department, college) and **admin panel** for management.
- Implemented **OTP-based verification** and **email notification** system for better security and communication.

Achievements

Solved **350+** DSA problems on [LeetCode](#) and **180+** problems on [GeeksforGeeks](#).

Selected for **Internal Smart India Hackathon (SIH)** and led the team to build an innovative solution.

Secured **1st Rank** in Debugging Competition at Tech Fest ITESA.

Actively participated in multiple **hackathons** and conducted **workshops for juniors** to share knowledge.

Volunteered in **technical fests and events**, contributing to event organization and management.

Certifications

Earned **SQL Intermediate Certificate** from HackerRank.

Completed **DSA Course** from Code Help.

Completed **MERN Stack Development Course** from Code Help.
